RE: Creditable Coverage Disclosure Notice 2026

The Centers for Medicare and Medicaid Services (CMS) regulation requires the District to provide notice of creditable coverage to Medicare Part D to eligible individuals by October 15, 2026. This is to make you aware that the District prescription plan is equal to or better than Medicare, and that Medicare is secondary until you are retired and turn 65. Medicare becomes your primary at the age of 65.

If you have any questions or comments regarding this, please contact Tracy Stocker-Lloyd at ext. 252 or me at ext. 206. Thanks.
