## 9210- PARENT ORGANIZATIONS

Any organization consisting of parent(s) or legal guardian(s), school staff and friends of the school shall be a Board-approved voluntary organization. It may not establish educational policy, participate in the administration of the school, or authorize management and direction of school affairs.

Organizations shall not use the district's name in their titles without the Board's express consent. Such permission to use the district's name does not constitute permission to act as the district's representative.

The Board shall make it a practice not to interfere in the internal workings of such groups.

Permission to hold regular meetings of such associations in school facilities will be extended by the Board of Education for a particular school year.

All members of the schools' professional staff shall be encouraged to join the organization and actively cooperate in its projects and on committees. All professional staff shall be encouraged to include PTA-PTO sponsored activities, as appropriate.
