September 3, 2013

Dear Parent,

Please review the information below. This is our open enrollment period for Supplemental Education Services for your child.

Because your child receives free or reduced lunch they are eligible for additional Title 1 academic instruction. This additional academic instruction is funded through Title 1 & takes place during period 9. Along with our imparted period 9 opportunities we offer other beneficial services such as; homework club, math support, language arts & math family nights for NJASK, & the possibility of additional home tutoring.

I strongly encourage you & your child to take full advantage of these helpful & productive academic services.

If you have any questions or if there is anything I can do to help you in the support of your child's academic progress please contact me at 609 884 3475 x226.

Sincerely

A handwritten signature in black ink, appearing to be "Erik Simonsen", written in a cursive style.

Erik Simonsen  
Assistant Principal
