

EARLY COLLEGE

Atlantic Cape Community College is proud to partner with local high schools to provide students with access to college-level coursework that earns both High School and College Credit

BENEFITS

- ✓ **Cost Savings** – Students can earn college credits at little or no cost.
- ✓ **College Readiness** – Early exposure to college-level coursework helps students develop the academic skills necessary for future success.
- ✓ **Boosted Confidence and Motivation** – Succeeding in college courses builds students' confidence in their abilities and motivates them to pursue further education and career goals.
- ✓ **Increased Access** – Early College programs provide underrepresented or first-generation students with greater access to higher education opportunities
- ✓ **Career Exploration** – Students are able to explore various **fields of study**, giving them a head start in identifying their career interests and goals.
