August 9, 2024

Dear Members of the Class of 2028!

Welcome to Lower Cape May Regional High School!

I hope you will be able to attend an orientation program for freshmen students on Monday, August 26, 2024, beginning at 9:00 a.m. Parents may drop off their teenagers at the front of the school between 8:30 a.m. and 9:00 a.m. The program will conclude at 12:30 p.m., at which time parents may pick up their students in the high school parking lot. This program will be helpful in a variety of ways. First, it will give the Superintendent, Mr. Lasher, and me a few minutes to address our incoming Freshman Class. We look forward to sharing some of our thoughts about the opportunities available to you the next year. Secondly, it will give you the chance to meet some people who will be important to you this year. You will meet the following: the assistant principals, the athletic director, guidance counselors, your senior class peer mentors, and some of your academic teachers.

Perhaps of most immediate help to you will be a tour of the building and the opportunity to become familiar with the location of the rooms you are assigned to for classes. I strongly urge you to take advantage of this opportunity. It is very difficult to find your way around the first few days when 750 students are in the building. Toward the end of the program, all freshmen will be invited to join your peer mentors for a light lunch in our cafeteria. Throughout the program, peer mentors will engage 9th graders in a variety of meaningful and fun activities designed to aid the transition to high school.

You are on the brink of beginning four of the most exciting and important years of your life. I believe we offer everything critical for you to have a successful high school career. We offer a superior academic and extra-curricular schedule that will lead to success after you have finished high school. The key ingredient in determining that success is you and the attitude you bring to school the first day and every day. I hope to see you all here on the 26th.

Sincerely,

Lawrence Ziemba
Principal
