August 10, 2023

Dear Lower Cape May Regional Faculty Member,

I hope you are enjoying a restful and relaxing summer vacation. But as with every summer vacation, the days are long and the season is short.

We have been extremely busy here at the high school over the summer. In addition to our all around summer cleaning and maintenance, we have been developing the master schedule.

Please note that all professional staff and aides are to report to school on August 30, 2023, at 8:00 a.m. You will find your teaching schedule for the upcoming school year on line at Power School. While it is possible that there may be some last minute changes that could impact on your schedule, I believe almost everyone will find that their schedule is as noted.

A note to all teachers of our incoming freshmen class that orientation for 9th graders will be on Monday, August 28, 2023, beginning at 9:00 a.m. in the High School Auditorium. All teachers of ninth graders are invited to attend to be introduced to our freshmen.

I hope you continue to enjoy what remains of your summer vacation, and I am looking forward to seeing you on August 30, 2023.

Sincerely,

Lawrence Ziemba
Principal
