

All students interested in participating in sports at the Lower Cape May Regional School District must have a sports physical on file with the school nurse. We want to make this process as easy as possible for you. Please follow the checklist below:

Step 1: Take the attached physical forms to your child's pediatrician to be filled out.

- Please note: Sports physicals are completed based on your child's most recent well visit and are good for one year from that date. If you child's most recent appointment was not within the last 365 days, you will need a NEW APPOINTMENT. Because sports physicals expire on a rolling calendar, your doctor may fill out the paperwork for you based on the information gathered at your child's last well visit. Your child's physical will expire A YEAR FROM THE DATE OF THE INFORMATION ENTERED ON THE FORM.

Before you leave the office please double check to make sure the physical is complete:

- Front page filled out by parent
- Explanations for any "yes" answers are given
- If your child has asthma or you answered "yes" to #27, please ask your child's pediatrician for an asthma action plan before you leave your appointment
- Please make sure that vision is checked at your appointment. If not, you will need to take your child to the eye doctor or obtain a copy of their most recent vision report (within the last year).
- Doctor's signatures are needed in three places, two for clearance & one for cardiac module completion

Step 2: Make a copy of the physical for your records at home.

Step 3: Bring the completed physical to the ATHLETIC SECRETARY IN THE FRONT OFFICE AT LOWER CAPE MAY REGIONAL HIGH SCHOOL. It will be processed and you will be contacted if more information is needed for approval.

Step 4: Register for family ID, instructions are listed on a separate sheet.

Please reach out to the school nurse during the school year with any questions at 609-884-3475 ext. 275 or the athletic secretary during the summer at ext. 211.

We look forward to seeing your child on our sports teams!

Thank you,

Morgan Dougherty, MSN, RN, CSN-NJ

ATTENTION PARENT/GUARDIAN: The preparticipation physical examination (page 3) must be completed by a health care provider who has completed the Student-Athlete Cardiac Assessment Professional Development Module.
