

PowerSchool Student Schedule Release

Class Schedules for students in grades 8-12 will be released to Parent PowerSchool Accounts on August 24th by the end of the day.

**If you do not have a Parent PowerSchool Account set up call the main or guidance office we will email you your Access ID and Password, directions to establish a Parent Account. Accounts cannot be set up on the app, you need to use a computer or the web browser on your phone. Once you establish an account, you can use the app.

Schedules will be released to student accounts at the end of the day on September 4th.

Incoming 7th and 9th graders will be given their schedules at Teitelman Experience and Freshman Orientation. Parents will also be given their Access ID, Access Password, and directions to establish a Parent PowerSchool Account.

**this year the Lower Cape May Regional School District will be moving to electronic forms and documents. It is essential that at least one parent/guardian set up an account. Multiple accounts can be set up for students by parents using the Access information, each account must have a different parent email address.

Tips:

- Parents/Guardians- call in to have your access information emailed to you, if you do not have account established
- Use a computer or the web browser on your phone to establish the account
- Be sure to update the PowerSchool App to the latest version, it updates frequently
- If the app does not work you can always log on to the account through your web browser on your phone or a computer.

*****IF you are having trouble setting up an account please call the Main or guidance office at the school your child is enrolled***
