Erik K. Simonsen – Asst. Principal

June 7, 2013

Dear Parent/Guardian,

As you know, this year your child took part in the Title I program here in Richard M. Teitelman Middle School. This funded program helps to improve your child's language arts & math skills. It is our hope that the extra instruction in their supplemental class has provided them with the skills to be successful this year and in their future academic courses here in the middle school. We are always looking for ways to improve all of our programs and would love some feedback on how we can help students and you as parents help your child be successful. Have a talk with your son/daughter about what they thought of the program and perhaps there may be something you feel could be added to improve this program in the next school year. Do not hesitate to call or email me (simonsene@lcmrschools.com) with any questions or suggestions you may have regarding this program. Have a nice day and thank you for supporting the program.

Sincerely,

Erik Simonsen

Asst. Principal / Title 1 Coordinator

Richard M. Teitelman Middle School
