Activité 4. Personnes célèbres (*Famous people*)

Form a group with two or three classmates. One of you writes the names of the famous people listed below on separate slips of paper. Then one student draws a name and describes that famous person, using what you have learned about giving nationalities and saying where people are from. The other students try to guess the identity of the person. When the person has been correctly identified, another student draws a name and describes his or her famous person. The activity continues until all the people in the list have been identified.

(You draw the name **Julia Roberts**)
